COLLEGE CERTIFICATE

This is to certify that **Mr. Shobhit Jaiswal, roll no. 1602714857**, is a bonafide student of **AJAY KUMAR GRAG ENGINEERING COLLEGE, GHAZIABAD,** and has submitted this project report on "**SHOPPINGBRICKS**" for fulfillment of the requirements of **Dr. A. P. J. ABDUL KALAM TECHNICAL UNIVERSITY, LUCKNOW** for awarding the degree of **"MASTER OF COMPUTER APPLICATIONS".**

Prof. S. L. Kapoor
Head of Department
Ajay Kumar Garg Engineering College
Ghaziabad

TRAINING CERTIFICATE

Certified that **Shobhit Jaiswal with Roll no. 1602714857** from **AJAY KUMAR GARG ENGINEERING COLLEGE GHAZIABAD** has carried out the industrial training and the work presented in this project report entitled **"ShoppingBricks"** is considered suitable for the award of **MASTER OF COMPUTER APPLICATIONS** from **Dr. A. P. J. ABDUL KALAM TECHNICAL UNIVERSITY, LUCKNOW** under my supervision.

Mr. Surya Prakash Tripathi
Java Consultant & Developer
Apex TG India Pvt. Ltd., Noida, UP

ACKNOWLEDGEMENT

With great gratitude and humility, I would first and foremost like to thank my **Project Head, Mr. Surya Prakash Tripathi,** whose been intellect, invaluable suggestions, selfless attitude, readiness to each at all times and most importantly, his patience with my never ending queries made it possible me to learn so much and complete this project timely. I would like to express my deepest and sincere thanks to **Mr. S.L. Kapoor, Head of Department (Master of Computer Applications)**, **Ajay Kumar Garg Engineering College, Ghaziabad** for their invaluable guidance. This project has been a successive step in teaching me the value of team effort and in learning to finish tasks in a fixed time. I'm surely indebted to many people, who have directly or indirectly been responsible in successful completion of this project and I would thus like to take this opportunity to thank all for their help.

Shobhit Jaiswal

Roll no.- 1602714857

LIST OF SYMBOLS, ABBREVIATIONS AND NOMENCLATURE

- B2B: Business-to-Business
- C2C: Consumer-to-Consumer
- B2C: Business-to-Consumer
- DFD: Data Flow Diagram
- ER: Entity relationship diagram
- JVM: Java Virtual Machine
- JSP: Java Server Pages
- XML: eXtensible Markup Language
- <% %>: Scriplet tag for specifying the java code in JSP page

LIST OF TABLES

Table Number & Name	Page No.
1. ad_user table	19
2. address table	20
3. admin table	20
4. demo table	20
5. p_subcat table	21

4. UI Snapshots	29-39

ABSTRACT

This project documentation describes the development phase of ShoppingBricks website.

The whole project working has been divided in following main phases: -

Developing concept: - In this phase we have developed a concept by putting above-mentioned theme in our mind.

Identification of Objectives of ShoppingBricks: - In this phase all objectives or requirements has been identified for the project. e.g. functional requirements, data requirement and performance requirements etc.

Analysis of system's objectives: - In this phase each objective has been analyzed, and a planning to implement the system has been made.

Planning to implement the system: - In this phase system has been design to implement the dispensary management system.

Testing and debugging: - In this phase the whole system has been tested on personal web server, and debugging has been completed.

Deploying and maintaining the system: - This one is the final phase of our website, which has to be implemented.
